London offers shovel-ready, fully serviced lands in a variety of sizes at \$75,000/acre. These Class-A serviced lands are located next to highways 401 and 402 with easy access to three U.S. border crossings and international airport. Innovation Park has already attracted multinationals like Hanwha and Dr. Oetker. Choose industrial land with no development charges and fast tracked regulatory approval for your next investment in London, Ontario, Canada. 🇨🇦
