Meet Our CEO

Trevor Arsenault, CEO

ANVO Pharma Group Inc. is pleased to announce the appointment of **Trevor Arsenault** as Chief Executive Officer effective February 2021. With over 25 years experience, excellence and expertise in the pharmaceutical industry, Trevor has worked globally with Inolife Sciences, Pharmascience Inc. and Bristol Myers Squibb Company. He is a worldwide leader in generic products and embodies 'global healing power' in all aspects of his life. He is the past Board President of Venturing Out Beyond Our Cancer (VOBOC), a charity in Montreal providing customized care packages to adolescents and young adults fighting cancer. "Trevor's role is critical to our success, in building a world-class R + D Laboratory and Oral Solid Dose manufacturing facility in London, Ontario", says Founder and Chairman, Tam Vo. ANVO Pharma Group Inc, is a science centered pharmaceutical company specializing in research + development, manufacturing, marketing and distributing high quality generic specialty products globally.
