## A New Hot Spot For Aviation Enthusiasts

YXU Air Park is officially open! As aviation enthusiasts ourselves, we wanted to create a space for likeminded individuals and families to enjoy spotting aircraft landing and taking off at YXU. Thanks to our sponsors, together we made it happen! Park your car or roam around to enjoy the informational signage when you visit YXU Air Park located on Creamery Rd. Huge thank you to the sponsors - ITPS, Airshow London, Diamond Aircraft, Fanshawe Norton Wolf School of Aviation and M&T.

# 101,363

Passengers travelled through our airport in 2021. That's 50% fewer passengers than 2020.

## International Flights Cleared For Take-Off At LIA

Following a nearly two year hiatus due to COVID-19, the Government of Canada has lifted restrictions that prevented LIA from accepting International flights. So go ahead and start dreaming of your next winter escape as we anticipate the return of popular sunny destinations in winter 2022-2023!

## New Aviation Program Inspires Young Enthusiasts

The aviation community in London continues to grow as Montcalm Secondary School and TVDSB team up to offer the first ever Aviation course for secondary students at London International Airport. Students will get the opportunity to gain knowledge and experience in various aspects of aviation such as mechanics, history, airport management and more, preparing them for pursuing post secondary education and careers in Aviation. North America's most desirable aviation community, here we come!

**81,511**

**Aircraft Movements in 2021, the highest recorded aircraft movements at LIA!**

## #NotInMyCity

Together with other Canadian airports, we've teamed up with #NotInMyCity to raise awareness and take collective action to prevent, disrupt and end sexual exploitation and trafficking. This initiative includes educating staff to recognize the signs of human trafficking and also providing resources throughout the terminal to ensure our airport remains a safe place for all.
